Dear District Residents:

New York Education Law Section 3602c requires parents of children who reside in the Jericho School District and who attend non-public schools to file a written request with their home school district in order to receive certain educational services, including Special Education services in the child's non-public school.

If your child will be attending a non-public, private, or parochial school next year, you must file a written request with the District so your child will receive Special Education services.

***Please note:*** The request must be ***filed in writing with the School District in which you reside on or before June 1, 2006.*** Your notice requesting Special Education services should be sent to:

Mr. Ed Friedlander, Executive Director of Pupil Personnel Services  
Jericho Union Free Schools  
99 Cedar Swamp Road  
Jericho, New York 11753

Please call Ed Friedlander, Executive Director of Pupil Personnel Services, @ (516) 203-3600, extension 3410 if you have any questions.

Sincerely,

Henry L. Grishman  
Superintendent
