What does your character think about Holden's mental health? _____

Do you have any direct textual evidence (quotations or details from the novel) to support this position? If so, please provide them here (with page numbers). _____

Script

Head Questioner: In what capacity did you know Holden Caulfield?

Character Response: _____

Head Questioner: How did Holden seem the last time you saw him? Physically? Mentally? Emotionally?

Character Response: _____

[For this portion of the script, you must come up with both the types of questions that might be asked as a mental health hearing—as well as follow up questions to things your character will say—as well as the responses. If additional space is needed, continue script on loose leaf paper. Total testimony should take approximately two minutes when read aloud between two people.]
