CANVAS & ARTISTIC CREATIONS

Come join us as we paint artistic creations! Students will have fun exploring different paints, techniques, subjects and being creative with paint. Students will have the opportunity to create a canvas painting while learning many different painting techniques. Preserve your clothes, bring a smock!

Course #1 - Session 2 - Grades 3-5

CRAFTY CORNER

Do you love to be creative and showcase your artistic talents? In Crafty Corner you will get to make projects that build on your own creativity! If you love art and enjoy learning new things, then this is the class for you! We might get messy, so don't forget to bring your smock! Let's get creative this spring in Crafty Corner!

Course #2 - Session 1 - Grades K-2

DELIGHTFULLY TASTEFUL

Don't ask "what's for lunch?" Let's make it yourself! Kids' favorite recipes as well as chocolate treats will be prepared. Get ready to dig in, enjoy the food, gain cooking skills and have fun! The chefs will also create and design their very own cookbook from the recipes we used in this course. The kitchen classroom is the tastiest place to learn and have fun! Bon Appétit!

Course #3 - Session 1 - Grades K-2

Course #4 - Session 2 - Grades 3-5

FITNESS, YOGA & MORE

Enjoy the benefits of a healthy, active lifestyle while learning cooperation skills through physical fitness activities and sports. We will also focus on staying calm, cool and collected by exercising your brain and body through meditation & yoga. Leave behind the TV and video games and come join in the action! Let the games begin!

Course #5 - Session 1 - Grades K-2

Course #6 - Session 2 - Grades 3-5

MICROSOFT & MORE

Have you ever wondered how to create cool projects, and posters? Come join us and learn how to use Microsoft Word, PowerPoint and Google to make creative projects and fun presentations. We will also explore educational websites and improve our keyboarding skills. Get ready for the future!

Course #7 - Session 1 - Grades 3-5

Course #8 - Session 2 - Grades K-2

SPOTLIGHT ON THEATER

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a class filled with the magic of theater. Students will create and act out commercials, bring books to life and perform for peers by creating their own props and scenery. Come join us as we perform and light up the stage!

Course #9 - Session 1 - Grades 3-5

Course #10 - Session 2 - Grades K-2

YOUNG ENGINEERS

Interested in building things? In this course, you will create projects that involve designing, building, and testing what you've built. Some of these projects may include airplanes, structures, simple machines and much more.

Course #11 - Session 1 - Grades 3-5

Course #12 - Session 2 - Grades K-2
