

We're so excited that your daughter is interested in joining Girl Scouts, the largest girl-led Movement in the world!

Girl Scouts of Nassau County is launching **Jump Start Troop 3451** in your area. GSNC staff members will work with the troop for five meetings to mentor the volunteer co-leaders while offering one-on-one training and support and even providing resources for the first five meetings!

Join us for the **Parent Meeting on Thursday, January 10, 2019** to learn the details about this fantastic opportunity. The troop will continue to meet on **Thursdays, January 24, 31 and February 7, 28 from 7:00pm-8:00pm** at **Syosset Woodbury Park, 7800 Jericho Tpke, Woodbury, NY**. After these five meetings, the co-leaders will be ready to lead the troop on their own!

Parents are asked to stay for the meetings, and will be able to participate in activities to learn about Girl Scouting from the parent and volunteer perspective.

We hope to see you at the Parent Meeting on Thursday, January 10, 2019 at the Syosset Woodbury Park.
