PARENT MEETING TO DISCUSS RECENT SURVEY

February 4, 2020
7 PM
Background

Survey was e-mailed to:
MS/HS Staff (213 Responded)
MS/HS Parents (515 Responded)

And given in English class to:
MS Students (717 Responded)
HS Students (1,026 Responded)

Scale was Strongly Disagree, Disagree, Agree, Strongly Disagree
(For this presentation, we broke down the results to agree or disagree)
Things we all can agree on...

• Jericho has appropriately high learning standards

• School administrators make decisions based on the best interest of students

• Staff/Families/Students all treat each other with respect

• Staff/Families/Students all feel safe in school

• Students have friends
Things we all can agree on…

• Staff/Families/Students are treated fairly regardless of race, culture, religion, sexual orientation, gender or disability.

• Students receive a quality education

• Students set goals and know how to achieve them

• Families feel welcomed & encouraged to participate in school-sponsored events

• Students know how to respectfully disagree
There **IS** a teacher, counselor, or other staff member to whom each student would go to for help with a problem.

**MS/HS PARENTS**
