PTA Co-Presidents

September 2005

Dear Parents:

We are delighted to be serving together as co-presidents of the Cantiague PTA for the upcoming school year. Throughout the summer months, our Executive Committee has been actively preparing various programs and committees in anticipation of an enriching and exciting school year. Hand in hand with preparation comes your dedication and support for these activities. This will insure their success!

This PTA Handbook contains valuable information regarding the 2005-2006 school year. It includes Policies and Procedures, the Code of Conduct/Consequences, the Faculty/Staff listing, the PTA Calendar of Events, and a Committee listing. Each committee has a contact person. That person can answer any questions you may have regarding that committee, and will welcome anyone willing to volunteer their time for that event. Please feel free and comfortable to call any of these people if you are interested in participating in any upcoming events. Volunteer sheets are always passed around at PTA meetings.

Our monthly PTA meetings are generally held on the first Wednesday of every month. However, please consult the school calendar for morning or

evening times. We urge all parents to attend as many PTA meetings as their schedules allow. Providing enhancement to our children's education is our main goal. The programs we sponsor can be more successful with your involvement.

Let us help find a place in the PTA for each of you! Please contact either one of us or any Executive Committee member with questions, concerns or feedback. New ideas are encouraged.

Please remember we are now a "paperless district". Therefore, all information regarding events at Cantiague and events within the Jericho School District will no longer be sent home in our children's backpacks. We all must make a conscientious effort to check our website for the most up to date information regarding both our school and the district as a whole at www.jerichoschools.org.

We look forward to a fun-filled and successful partnership with you all!

Sincerely,

Janet Bauer
